

MEMORANDUM

To: All Lakewood Parents
From: Denise Powell, Principal
Date: September 24, 2018
Subject: Field Trips/Activities

With collaboration of our PTA, parents, teachers, school administrators, and communities, our Lakewood students have opportunities to participate in field trips throughout the school year. The teachers, along with the support of the principal, select grade-appropriate trips to enhance the learning experience of our students.

In an effort to support the field trip process, PTA is respectfully asking for a donation from families. Lakewood students are able to continue field trip enrichment activities because of your ongoing support and donations. Due to the generous donations provided through the Blue and White auction, nearly 50% of our field trips will be covered for the next two school years.

The table below shows the suggested donation amount for field trips per child, according to grade level. Some of the activities below are co-funded by Lakewood LCAP money and PTA in addition to the requested donations below. Please note: no student will be prevented from going on a field trip.
